

BECOME A SPONSOR FOR THE 2008 CONCRETE TECHNOLOGY FORUM

FOCUS ON SUSTAINABLE DEVELOPMENT

NRMCA's *2008 Concrete Technology Forum: Focus on Sustainable Development* is scheduled for May 20-22, at The Marriott Denver Tech Center. With the focus on sustainable development, the *2008 Concrete Technology Forum* will provide an outstanding venue for you to promote your state-of-the-art products and services. Topics being presented at the conference include:

- ◆ Pervious Concrete Systems
- ◆ Concrete's Impact on Urban Heat Islands
- ◆ The Carbon Footprint of Concrete
- ◆ Sustainable Development Initiatives
- ◆ Optimizing Recycled Content

The *2008 Concrete Technology Forum* Sponsorship Program is a cost-effective plan that includes the following:

- ◆ Company logo displayed at the event
- ◆ Company logo on place cards at meals
- ◆ Company logo in promotional materials
- ◆ Company logo on the event web page
- ◆ Names and contact information of participants and attendees
- ◆ Exhibit space at NRMCA member rate

Sponsorship cost for the *2008 Concrete Technology Forum* is as follows:

- ◆ NRMCA members: \$3,000 (or potentially less if you already sponsor other NRMCA events)
- ◆ Organizational partners and their members: \$3,000
- ◆ Non-members: \$6,000

Sponsor the forum today by completing the Sponsorship Application Form and returning it to NRMCA along with the required payment. There are only eight sponsorships available and they are assigned on a first-come, first-serve basis, **so don't delay!**

For additional information contact Michelle Barringer of NRMCA at 240-485-1143 or mbarringer@nrmca.org.

Opportunities are limited...become a sponsor today!

2008 CONCRETE TECHNOLOGY FORUM — SPONSORSHIP APPLICATION FORM

Become a sponsor for the *2008 Concrete Technology Forum: Focus on Sustainable Development*, May 20-22, 2008, at The Marriott Denver Tech Center and earn high-profile visibility among industry leaders. The forum will bring researchers and practitioners together to discuss the latest advances, technical knowledge, continuing research, tools and solutions for sustainable development.

Researchers, engineers, architects, contractors, concrete producers, public works officials, material suppliers, and concrete industry professionals are invited to attend, give presentations and submit papers.

With the focus on sustainable development, the *2008 Concrete Technology Forum* will provide a venue for researchers, contractors and product manufacturers to inform the industry about state-of-the-art developments, new construction techniques and product formulations that optimize environmental performance.
