

# May 13-15, 2009. Cincinnati, OH.

## The 4th Annual Concrete Technology Forum - Focus on Performance Prediction.

### REGISTER NOW

Explore the latest advancements  
in testing and modeling of  
concrete performance.

Join us for the *2009 Concrete Technology Forum: Focus on Performance Prediction*, May 13-15, 2009, at the Westin Cincinnati. This symposium and product expo will bring researchers and practitioners together to discuss the latest advances, technical knowledge, continuing research, tools and specifications that involve test methods and modeling to predict concrete performance and service life of concrete structures.

#### Session Topics

Researchers, engineers, contractors, concrete producers, public works officials, material suppliers, and concrete professionals will present on the latest advances, technical knowledge, continuing research, tools and solutions for testing and modeling concrete performance. Topics include:

- ◆ Hardened Concrete properties
- ◆ Plastic concrete properties
- ◆ Concrete applications
- ◆ Performance prediction

#### Product Expo

A product expo featuring companies that offer products and services for performance prediction will be open during the conference.

#### Attendees

Researchers, engineers, architects, contractors, concrete producers, material suppliers, public works officials, and concrete industry professionals are invited to attend.

#### Professional Development Hours

Attendees are eligible to receive up to 11 professional development hours (PDH's). NRMCA is a registered continuing education provider with the American Institute of Architects—Continuing Education Systems (AIA-CES).

#### Register Early and Save

Sign up today for the *Concrete Technology Forum* and enhance your expertise and knowledge on performance prediction.

- Early Registration: \$395 (on or before 4/18/09)
- Late Registration: \$495 (after 4/18/09)
- Students and Speakers: \$195

Register at [www.ConcreteTechnologyForum.org](http://www.ConcreteTechnologyForum.org), at (240) 485-1152 or use the attached form. For further information contact Lionel Lemay, 847-918-7101, or at [LLemay@nrmca.org](mailto:LLemay@nrmca.org).
